Following the guidance of the Governor's Reopening Guidelines, we are tasked with asking all our guests the following questions:

- a) **Have you been in close contact with a confirmed case of COVID-19?**
- b) **Are you experiencing a cough, shortness of breath or sore throat?**
- c) **Have you had a fever in the last 48 hours?**
- d) **Have you had changes in your sense of taste or smell?**
- e) **If you answered yes to any of these questions, please do not put our employees and other guests at risk. Please make a reservation for another day when you feel better. Any deposits will be returned.**

At check in we are required to copy your driver's license and have you affirm that all of your party staying with us have remained at home for at least 14 days prior to your arrival only going out for essential items and when outside of the home social distancing has been maintained and face masks have been worn when within less than 6 feet of another person during this 14 day period.

Additionally – We ask that you only use the front door to our office. We are keeping the office door locked to reduce foot traffic in the office and ask that only ONE guest enter at a time.

We recommend that you continue to observe social distancing while here and continue to use masks when appropriate.

Thank you in advance for your cooperation.

Stay Safe –
